PLAINTIFFS' MOTION FOR AWARD OF ATTORNEYS' FEES AND RELATED EXPENSES AGAINST DEFENDANT CHICAGO HOUSING AUTHORITY

Plaintiffs, by their attorneys, pursuant to 42 U.S.C. § 1988, move for an award of attorneys' fees in the amount of \$728,827 and related expenses of \$3,706 for the period beginning August 1, 2001 and ending July 31, 2003, to be paid by the defendant, Chicago Housing Authority ("CHA"), to Business and Professional People for the Public Interest ("BPI"). The Joint Statement required by Local Rule 54.3(f) is attached as Exhibit I.

In support of this Motion, plaintiffs state as follows:

1. The last award of attorneys' fees to plaintiffs in this case, by this Court's order of April 4, 2002, was for work from September 25, 1999 to July 31, 2001. The present motion seeks fees for time spent subsequent to that period.

which plaintiffs now seek fees, plaintiffs' attorneys expenses relating to a variety of matters, such as:

DOC. # 94

- (a) scattered site issues, including amending the CHA Tenant Selection and Assignment Plan to give relocated CHA families priority for scattered-site units and requiring quarterly CHA reports to plaintiffs' counsel on the repair and tenantry of vacant scattered site units;
- (b) a variety of public housing development issues, including expansion of the geographic areas covered by the Henry Horner and North Kenwood-Oakland Revitalizing Orders, and participating in the development of plans leading to or anticipated to lead to additional revitalizing orders;
- (c) participating in ten "Working Groups" at each of ten CHA redevelopments, for some of which revitalizing orders have been entered, and for others of which they are likely to be sought, including aiding in the selection of developers, reviewing site plans with respect to income mix and public housing unit dispersal, reviewing tenant selection plans, and reviewing arrangements for social services intended to enhance plaintiffs' opportunities to access the relief embodied in the new developments;
- (d) the "Gautreaux II Program" of the Leadership Council for Metropolitan Open Communities, providing integrated housing opportunities for plaintiff class families being relocated from CHA developments;
- (e) "habitability" issues, relating to the repair and maintenance of public housing units in which plaintiffs reside before moving to newly developed, rehabilitated or rent subsidy units; and
- (f) relocation services which, among other things, assist plaintiff class families in selecting among the remedial housing opportunities made or to be made available to them under CHA's Plan for Transformation.

This list is illustrative, not exhaustive, of counsel's effort to ensure that, to the greatest extent possible, plaintiff class families receive the relief to which the Court has determined they are entitled. Details are provided in the attorneys' affidavits and time sheets attached as Exhibit III.

3. Plaintiffs seek an award of fees, as specified in such affidavits, at rates supported by the affidavit of Lowell E. Sachnoff, attached hereto as Exhibit II, as follows:

NAME	TOTAL HOURS ¹	RATE	TOTAL AMOUNT
Alexander Polikoff	371.625	\$400	\$148,650.00
Julie Brown	426.875	\$350	149,406.25
Robert Jones	114.000	\$350	39,900.00
Adam Gross	458.375	\$265	121,469.375
Mary Anderson	265.680	\$240	63,763.20
Jonathan Kaden	28.500	\$240	6,840.00

**JOINT STATEMENT REGARDING PLAINTIFFS' MOTION FOR
AWARD OF ATTORNEYS' FEES
AGAINST DEFENDANT CHICAGO HOUSING AUTHORITY**

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,)
vs.) 66.C 1459
CHICAGO HOUSING AUTHORITY, et al.) Hon. Marvin E. Aspen
Defendants.)

**JOINT STATEMENT REGARDING PLAINTIFFS' MOTION FOR AWARD OF
ATTORNEYS' FEES AGAINST DEFENDANT CHICAGO HOUSING AUTHORITY**

Pursuant to section (e) of local General Rule 54.3, attorneys for defendants CHICAGO HOUSING AUTHORITY (CHA), et al., and for plaintiffs DOROTHY GAUTREAUX, et al, have prepared this Joint Statement Regarding Plaintiffs' Motion for Award of Attorneys' Fees Against Defendant Chicago Housing Authority.

The procedural history and present posture of plaintiffs' request for fees are as follows:

1. Plaintiffs seek attorneys' fees of \$728,827, plus \$3706 in expenses, for work performed during the period August 1, 2001 through July 31, 2003, the two-year period following the period for which the Court last awarded fees in this case.
2. On December 30, 2003, plaintiffs sent CHA a letter summarizing time records, specifying proposed hourly rates, and supplying affidavits and other supporting materials for work performed by nine lawyers during the period August 1, 2001 through July 31, 2003. Plaintiffs requested compensation for such time in the amount of \$829,046, plus expenses of \$5,267. The letter explained that the requested amount eliminated entirely the time of certain attorneys and the time spent on certain categories of work, and

differed from the lodestar total based on the sum of the individual affidavits because plaintiffs had deducted from the lodestar total half the time spent on internal “Gautreaux team” meetings.

3. By letter dated February 9, 2004, CHA responded that the fee request raised many concerns regarding the amount requested, the hourly rates, and the activities for which fees were sought. “However,” the letter went on, “the overriding matter that must be initially addressed before any consideration of these concerns is the Seventh Circuit’s recent decision in Alliance to End Repression v. City of Chicago, which would seem to under cut the recovery of any further fees in the Gautreaux case.”

4. Plaintiffs disagreed. Meetings between counsel for the parties yielded no agreement on the applicability of the Alliance decision. Plaintiffs then filed a motion for instructions pursuant to local rule 54.3(g), requesting the Court to instruct the parties that Alliance did not, as a matter of law, preclude further fees to the Gautreaux plaintiffs and that the parties should proceed with Rule 54 negotiations. The parties, however, subsequently agreed to proceed with normal Rule 54 negotiations and, after so advising the Court on May 27, 2004, plaintiffs voluntarily withdrew their motion for instructions.

5. Plaintiffs and CHA then entered upon negotiations concerning the requested fees. CHA sent plaintiffs its analysis of plaintiffs’ fee affidavits, objecting to: 1) 670 hours of intra-office meetings and phone calls among plaintiffs’ attorneys; 2) 1,231 hours of participation in meetings and phone calls deemed by CHA to be “non-legal”, including such things as attendance at working group meetings for various developments; 3) 229 hours of work deemed by CHA to be “outside the scope” of this case ; and 4) 256 hours billed for participation by more than one plaintiffs’ attorney in meetings or phone calls with “third parties.” CHA then applied a flat fee rate of \$175 per hour, which exceeded the

average rate paid to its outside counsel in Gautreaux during this period, for all of plaintiffs' attorneys to the remaining hours billed. CHA's analysis resulted in a total fee of \$103,600.

6. Plaintiffs responded by letter dated August 3, 2004, submitting a revised request for fees that included, because so much time had elapsed in discussions since the original submittal, a further five-month period from August 1, 2003 through December 31, 2003, and offering to accept \$701, 481 for the entire 29-month period. CHA responded on September 28, 2004, with an analysis of the additional five-month period, revisions based on hours erroneously deleted in its earlier analysis, and counter-offered \$200,000 for the 29-month period through December 31, 2003. CHA also proposed a capped prospective payment of fees for the next two years, which in CHA's view would avoid further time expenditure by the Court and the attendant costs and delay. Plaintiffs rejected the proposal and counsel agreed that litigation appeared to be necessary. Plaintiffs then submitted to CHA, on December 16, 2004, a revised request for \$728, 827 in fees, plus expenses, for the original two-year period, which stated that it deferred until a future time a request for \$41,406 of additional time. The parties have been unable to agree on this or any proposal.

7. Accordingly, plaintiffs now request the following fee amount for work performed during the two years from August 1, 2001 through July 31, 2003, deferring until a later date \$41,406 of additional time. (Time spent preparing and litigating this fee petition has not been included and will be requested subsequently.)

NAME	TOTAL HOURS*	RATE	TOTAL AMOUNT
Alexander Polikoff	371.625	\$400	\$148,650.00
Julie Brown	426.875	\$350	149,406.25
Robert Jones	114.000	\$350	39,900.00
Adam Gross	458.375	\$265	121,469.375
Mary Anderson	265.680	\$240	63,763.20
Jonathan Kaden	28.500	\$240	6,840.00
Nicholas Brunick	530.675	\$225	119,401.875
Henry Ford	145.425	\$200	29,085.00
Eloise Lawrence	<u>251.560</u>	\$200	<u>50,312.00</u>
TOTAL	2592.415	--	\$728,827.70
Plus expenses		+	3706.66
		=	\$732,534.36

* Hours are listed in this format because plaintiffs have reduced by 50% time spent in meetings of the BPI "Gautreaux Team", thus resulting in total hours to the 3rd decimal point.

8. CHA does not believe that BPI is entitled to any fees for the period August 2001 through July 2003, based on Buckhannon Board and Care Home, Inc. v. West Virginia Department of Health and Human Resources, 532 U.S. 598 (2001), and Alliance to End Repression v. City of Chicago, 356 F.3d 767 (7th Cir. 2004). CHA believes that during this two-year period the plaintiffs were not prevailing parties against CHA on any issues, as all matters requiring court action were submitted by the parties as motions for agreed orders.

9. CHA also believes that if fees were awardable for this period, the amount allowable would be:

Name	Hours Credited	Rate	Total Amount
A. Polikoff	87.00	\$350	\$ 30,450.00
J. Brown	157.50	\$250	\$ 39,375.00
R. Jones	19.1	\$250	\$ 4,775.00
A. Gross	120.75	\$200	\$ 24,150.00
M. Anderson	127.25	\$150	\$ 19,087.50

J. Kaden	14.75	\$150	\$ 2,212.50
N. Brunick	159.25	\$175	\$ 27,768.75
H. Ford	16.25	\$125	\$ 2,031.25
E. Lawrence	48.84	\$125	<u>\$ 6,105.00</u>
			\$155,955.00
Expenses*			\$826.00
Grand Total			\$156,781.00

* Expense total reflects disallowance for car rental, cab and parking costs for attending activities CHA deems non-legal, such as the working groups for the various CHA developments.

10. The remaining disputes between the parties are whether plaintiffs are entitled to any fees for the two year period at issue here, and whether the requested fees are excessive and/or unreasonable for the reasons set forth in paragraph 5.

11. In Gautreaux v. CHA, 690 F.2d 601 (7th Cir. 1982), cert. denied, 461 U.S. 961 (1983), the court held that plaintiffs were prevailing parties under section 1988, and were entitled to attorneys' fees against CHA. Plaintiffs base the present motion, which seeks fees only for work subsequent to that covered by prior fee awards, on the judgment in Gautreaux v. CHA, 304 F.Supp. 736 (1969), which was not appealed.

DOROTHY GAUTREAUX, ET AL.,)
Plaintiffs,)
v.) No. 66 C 1459
CHICAGO HOUSING AUTHORITY,)
Defendant.)

**AFFIDAVIT OF LOWELL E. SACHNOFF IN SUPPORT OF MOTION FOR
ATTORNEYS' FEES**

LOWELL E. SACHNOFF, being duly sworn on oath, states:

1. I am an attorney duly authorized to practice law in the State of Illinois and the United States District Court for the Northern District of Illinois. I give this affidavit in support of the applications for fees filed by Alexander Polikoff, Julie Elena Brown, Robert L. Jones, Jr., Adam Gross, Jonathan M. Kaden, Mary Anderson, Nicholas J. Brunick, Henry Ford, Jr. and Eloise Lawrence in connection with their work in the Gautreaux v. Chicago Housing Authority litigation.

2. I am the senior litigation partner in Sachnoff & Weaver, Ltd., a 140-person Chicago law firm. For many years a substantial portion of my practice has involved representation of both plaintiffs and defendants in complex actions in the United States District Court in which, by statute or otherwise, provision is made for the payment of attorneys' fees to counsel for prevailing plaintiffs. These cases have involved, inter alia, antitrust cases, securities cases, civil rights cases and class actions of other kinds. In addition, I have represented attorneys in several recent fee shifting and common fund fee cases in the Seventh Circuit including: Skelton v. General Motors Corp., 860 F.2d 250 (7th Cir. 1988); In the Matter of Continental

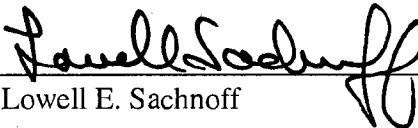

Illinois Sec. Litig., 962 F.2d 566 (7th Cir. 1992); Florin v. Nationsbank of Georgia, N.A., 60 F.3d 1245 (7th Cir. 1995).

3. As a result of the foregoing, I have had occasion to become familiar with the customary hourly rates charged by attorneys in the City of Chicago for their services in all types of litigation, including civil rights matters. In order to update my knowledge in this regard for the specific purpose of preparing this affidavit, I have examined or am familiar with the current and historical hourly schedules of charges in use by ten Chicago law firms ranging in size from 25 to 200 lawyers, as well as the hourly fee schedule in effect in my own law firm. I have also familiarized myself with the backgrounds, experience, skill and reputations of Alexander Polikoff, Julie Elena Brown, Robert L. Jones, Jr., Adam Gross, Jonathan M. Kaden, Mary Anderson, Nicholas J. Brunick, Henry Ford, Jr. and Eloise Lawrence, counsel for the plaintiffs in this case. I should add that I have known Mr. Polikoff, Ms. Brown and Mr. Jones for many years and I have first-hand knowledge of their skill and experience as lawyers.

4. Based upon my knowledge of the reasonable and customary charges that were in effect among lawyers in the City of Chicago of like experience, skill and reputation in civil rights litigation, it is my opinion that reasonable and appropriate currently hourly rates for the services of attorneys in this case would be:

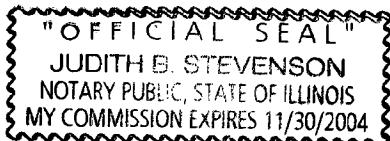

<u>Attorney</u>	<u>Hourly Rate</u>
Alexander Polikoff	\$ 400
Julie Elena Brown	350
Robert L. Jones, Jr.	350
Adam Gross	265
Jonathan M. Kaden	240
Mary Anderson	240
Nicholas J. Brunick	225
Henry J. Ford, Jr.	200
Eloise P. Lawrence	200

5. These hourly rates are for services of lawyers of the skill, experience and reputations of Mr. Polikoff, Ms. Brown, Mr. Jones, Jr., Mr. Gross, Mr. Kaden, Ms. Anderson, Mr. Brunick, Mr. Ford, Jr. and Ms. Lawrence in matters in which fees are charged to and paid by clients on an ongoing basis, without regard to the outcome of the litigation.

Lowell E. Sachnoff

Defendant.)

**AFFIDAVIT OF ALEXANDER POLIKOFF
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA**

I, Alexander Polikoff, being duly sworn, say:

1. I am one of the attorneys of record for the plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459, in the U. S. District Court for the Northern District of Illinois, Eastern Division. Since the inception of the litigation I have been in responsible charge of this case for the plaintiffs.
2. I am a graduate of the University of Chicago (B.A. 1948, M.A. English Language and Literature 1950) and of the University of Chicago Law School (J.D. 1953), where I was Editor-in-Chief of the Law Review and a member of the Order of the Coif. I am admitted to practice in the state courts in Illinois, in this Court, in the United States Court of Appeals for the Seventh Circuit, and in the United States Supreme Court.

Commencing in 1953 I was associated with the law firm that is now known as Schiff Hardin & Waite in Chicago where I engaged in a variety of civil litigation, primarily in this Court, for the next 17 years. On November 1, 1960, I was named a partner in the firm.

From April 15, 1970, through September 12, 1999, I was Executive Director and a full-time salaried employee of Business and Professional People for the Public Interest (BPI). From September 13, 1999 to date, I have been a salaried staff attorney at BPI. BPI was incorporated in Illinois in 1969 and since that time has functioned as a public interest law and policy center.

Since joining BPI I have had primary responsibility for a number of cases in the trial courts of Illinois and in this Court. I have also had primary responsibility for a number of appeals in the Appellate and Supreme Courts of Illinois and in the United States Court of Appeals for the Seventh Circuit. I also had primary responsibility for the handling of this case in the United States Supreme Court.

BPI is a not-for-profit corporation and has understandings with its cooperating and salaried attorneys (including me) that any attorneys' fees awarded for their services will be paid to the organization and not to the individual attorneys. Accordingly, any fees awarded for my services in this case will be paid to BPI.

3. During 2003 I prepared a written record based on contemporaneous daily time records of some of the professional time I have spent on this case, from August 1, 2001 through July 31, 2003, for which time fees have not previously been awarded against CHA. Such written record is set forth in Exhibit A, attached hereto. For each activity I recorded only what I believe to be the least amount of time I actually spent. I have no doubt that I actually spent substantially more time on the matters set forth in Exhibit A than is there recorded.

4. The record of my time in Exhibit A does not include any of my time spent on a number of other activities in or related to this case, for which I did not believe an award of attorneys' fees would be appropriate. Nor did I record any of the numberless instances in which I spent less than 15 minutes on compensable tasks (e.g., telephone calls and office conversations) related to this case.

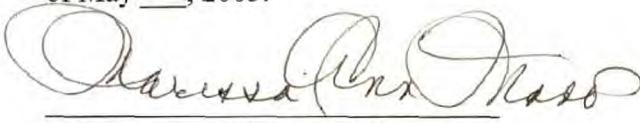

5. I have also directed that a schedule be prepared showing costs incurred from August 1, 2001 through July 31, 2003 that in my opinion are allocable to compensable time spent by all Gautreaux plaintiffs' counsel during that period. Such schedule is attached as Motion Exhibit IV.

Further affiant sayeth not.

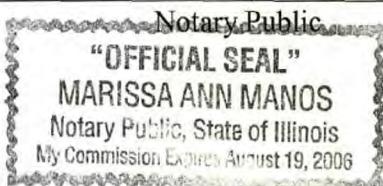

Alexander Polikoff

Subscribed and sworn to

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,) No. 66 C 1459
vs.)
CHICAGO HOUSING AUTHORITY,)
Defendant.)

**AFFIDAVIT OF JULIE ELENA BROWN
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA**

I, Julie Elena Brown, being duly sworn, say:

1. I am one of the attorneys for plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois.
2. I am a graduate of the University of Wisconsin, Madison (B.A., 1979, History and American Institutions, with honors) where I received the Vilas Chancellor's Merit Scholarship. I am also a graduate of the University of Wisconsin Law School (J.D., 1983, cum laude), where I was a member of the Order of the Coif, a member of the University of Wisconsin Law Review and an Editor of the Wisconsin International Law Journal.
3. I am admitted to practice in the State of Illinois, the Northern District of Illinois, and the United States Court of Appeals for the Seventh Circuit. I have also practiced before the Illinois Pollution Control Board and the City of Chicago Zoning Board of Appeals.
4. Since May 30, 1989, I have been a staff attorney and a salaried employee of Business and Professional People for the Public Interest (BPI). BPI was incorporated as an

Illinois not-for-profit corporation in 1969 and since that time has functioned as a public interest law and policy center.

5. Since joining BPI I have had primary and secondary responsibility for a variety of legal proceedings concentrating on housing and environmental matters. I have appeared and actively participated in various matters, including this case and Wallace v. Chicago Housing Authority, Civil Action No. 03 C 0491 (United States District Court for the Northern District of Illinois); Business and Professional People for the Public Interest, et al. v. Commonwealth Edison Co., 87 CH 11098 (Circuit Court of Cook County, Illinois) (punitive damages trial, 1990); People of the State of Illinois, Plaintiffs and Marian Byrnes, et al., Intervening Plaintiffs v. CWM Chemical Services, Inc. and Chemical Waste Management, Inc., 91 CH 04768 (Circuit Court of Cook County, Illinois) (evidentiary hearing on entry of consent decree in environmental enforcement action, 1991); CWM Chemical Service, Inc. v. Environmental Protection Agency, Illinois Pollution Control Board, 89-177 (appeal of hazardous waste disposal permit denial); and In the Matter of Groundwater Quality Standards (35 Ill. Adm. Code 620), Illinois Pollution Control Board, R89-14 (proceedings for the promulgation of statewide groundwater quality standards, 1989-1991).

6. From April, 1984 to May 15, 1989, I worked as an Assistant Corporation Counsel for the City of Chicago in the Appeals and Affirmative Litigation Divisions of the Corporation Counsel's office. In that capacity, I had primary and secondary responsibility for a variety of civil matters in the federal trial and appellate court and state trial, appellate and Supreme courts in Illinois, including numerous appeals, and trial matters involving RICO, fraud, contract, environmental and other laws.

7. Prior to joining the Corporation Counsel's office, I worked as an attorney for O'Keefe, Ashendon, Lyons & Ward in Chicago on a variety of research matters. During law school I worked as a law clerk at Julian & Olson, a law firm in Madison, Wisconsin, primarily on employment discrimination and criminal defense matters. I also worked during law school as a law clerk at the Wisconsin Department of Justice, Labor and Industry Unit in Madison, Wisconsin, primarily on employment discrimination and Indian Law matters.

8. I have worked on the Gautreaux litigation continuously since 1990. Under Alexander Polikoff's general supervision, I have had responsibilities relating to nearly all aspects of the litigation during this time period, as reflected in the attached Exhibit A.

9. BPI has an understanding with its salaried attorneys (including me) that any attorneys' fees awarded for their services will be paid to the organization and not to the individual attorneys. Any fees awarded for my services in this case will be paid to BPI.

10. Throughout the time I have participated in this litigation I recorded the hours I spent in contemporaneous daily time records. I have prepared a written record (set forth in Exhibit A hereto) of the professional time that I have spent from July 31, 2001 through July 31, 2003. This written record is based upon time records that I maintained for that period. Where my records were not complete, I supplemented them with other contemporaneous materials, such as meeting notes, my daily calendars, and contemporaneous time records of my colleagues. I did not record, nor did I set forth in Exhibit A, numerous instances in which I spent less than 15 minutes on tasks (such as telephone calls and brief discussions) related to this case. I have also eliminated time spent on a number of matters related to this case for which I did not believe an award of attorneys' fees would be appropriate. The number of hours of professional time which I have spent on this case thus substantially exceeds the number of hours set forth in Exhibit A.

Further affiant sayeth not.

Julie Elena Brown

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,)
v.) 66 C 1459
CHICAGO HOUSING AUTHORITY,) Hon. Marvin E. Aspen
Defendant.)

AFFIDAVIT OF ADAM GROSS
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA

I, Adam Gross, being duly sworn, say:

1. I am one of the attorneys of record for the plaintiffs in Gautreaux, et. al. v. Chicago Housing Authority, et al., Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois.
2. I am a graduate of Yale University (B.A., 1988, cum laude). I am also a graduate of the John F. Kennedy School of Government, Harvard University (M.P.P., 1992). And I am a graduate of the University of Chicago Law School (J.D., 1995), where I was an Editor of the University of Chicago Law School Roundtable.
3. I am admitted to practice in the state court of Illinois and the United States District Court for the Northern District of Illinois.
4. Since August of 1995, I have been a staff attorney and a full-time, salaried employee of Business and Professional People for the Public Interest (BPI). BPI was

incorporated as an Illinois not-for-profit corporation in 1969 and since that time has functioned as a public interest law and policy center.

5. Since joining BPI I have actively participated in various Gautreaux matters, particularly those related to implementation of the Chicago Housing Authority's Plan for Transformation. I have worked extensively on the mixed-income redevelopment of the Henry Horner, Rockwell Gardens, Stateway Gardens, Robert Taylor and Washington Park Public Housing Developments. I have also worked on matters related to the relocation of public housing residents, with particular emphasis on facilitating moves to racially and economically integrated communities. I have worked on the Gautreaux litigation continuously since August 1995, under Alexander Polikoff's general supervision, as reflected in the attached exhibit A.

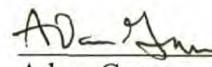

6. During the summer of 1993, I worked as an intern at BPI, primarily on civil rights and environmental matters. In the summer of 1994, I worked as an intern at the law firm of Jenner and Block, on civil rights, criminal and corporate matters. Between 1993 and 1995, I worked in the University of Chicago Law School Clinic, primarily representing clients in administrative hearings regarding receipt of public benefits.

7. All BPI's salaried attorneys understand that attorneys fees awarded for their work will be paid to the organization and not to the attorneys. Fees awarded for my services in Gautreaux will be paid directly to BPI.

8. During the time I have participated in the Gautreaux litigation, I recorded the hours I devoted to the case in contemporaneous daily time records. In the fall of 2003, I prepared a written record (set forth in exhibit A, attached hereto) of the time that I have spent on this case from August 1, 2001 through July 31, 2003. This written record is based upon time records that I maintained for that period, a review of meeting notes and other relevant work product created

during that period and the contemporaneous daily time records of my colleagues. I did not record, and did not include in exhibit A, the many times when I spent less than 15 minutes on tasks, including telephone calls and short meetings, related to this case. Thus, the number of hours I devoted to the Gautreaux case greatly exceeds that recorded in exhibit A.

Further affiant sayeth not.

Adam Gross

Subscribed and sworn to
before me this 30th day
of December, 2003.

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

**AFFIDAVIT OF NICHOLAS J. BRUNICK
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA**

I, Nicholas J. Brunick, being duly sworn, say:

1. I am one of the attorneys for plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois.

2. I am a graduate of North Central College (B.A., 1996, summa cum laude, Political Science and Sociology). I am also a graduate of the University of Texas School of Law (J.D., 2000, With Honors) and the LBJ School of Public Affairs (M.P. Aff., 2000), where I was inducted into the Chancellors Society and the Order of the Coif. In early 2000, I became the second Polikoff-Gautreaux Fellow and in September of 2000, I began work at Business and Professional People for the Public Interest (BPI).

3. I was inducted into the Illinois Bar on November 9, 2000. On December 21, 2000, I was admitted to practice law in the United States District Court for the Northern District of Illinois.

4. Since September 5, 2000, I have worked at BPI. I began my work at BPI as Polikoff-Gautreaux Public Interest Fellow. In September of 2002, I became a permanent Staff Attorney at BPI. In January of 2003, I became Director of the Regional Affordable Housing Initiative at BPI. BPI was incorporated as an Illinois not-for-profit corporation in 1969 and since that time has functioned as a public interest law and policy center.

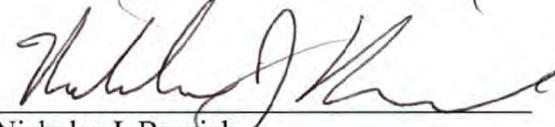

5. During the summer of 1997, I worked as a NAPIL/VISTA Legal Fellow organizing a community-based legal aid clinic and performing other community development work in public housing communities in McComb, Mississippi. In the summer of 1998, I worked as a Union Organizer and policy researcher for the Service Employees International Union (SEIU) Local 236 in Chicago, working on organizing campaigns for hospital workers, bus drivers, and airport security screeners and special service workers. In the summer of 1999, I worked for Baron & Budd, a plaintiff-side toxic tort and environmental litigation firm in Dallas, and for Wiseman, Durst, Tuddenham & Owen, a small, plaintiff-side civil rights and labor law firm in Austin, Texas. During law and policy school, I worked with an Industrial Areas Foundation (IAF) organization in Austin, Texas, organizing in low- and middle-income communities around job-training, immigration, and public school reform issues, and also represented indigent clients through both the University of Texas Housing Law Clinic and the University of Texas Capital Punishment Clinic.

6. I have worked on the Gautreaux litigation since joining BPI. Under the general supervision of Alexander Polikoff, I have had responsibilities relating to the redevelopment efforts at Cabrini-Green ABLA Homes and to a variety of tasks relating to the CHA's Plan for Transformation.

7. BPI has an understanding with its salaried attorneys (including me) that any attorneys' fees awarded for their services will be paid to the organization and not to the individual attorneys. Any fees awarded for my services in this case will be paid to BPI.

8. Throughout most of the time that I have participated in this litigation, I recorded the hours I spent in contemporaneous daily time records. For those times when I failed to maintain time records in contemporaneous daily fashion, I did my very best to record such time carefully based upon the use of documents such as meeting agendas, my appointment calendars, and consultation with other colleagues to verify my time spent on certain tasks. In the fall of 2003, I prepared a written record (set forth in Exhibit A hereto) of the professional time that I have spent from the time I joined BPI up to a recent date on this case. This written record is based upon time records that I maintained for that period. I did not record, nor did I set forth in Exhibit A instances in which I spent less than 15 minutes on tasks (such as telephone calls and brief discussions) related to this case. I have also eliminated time spent on matters related to this case for which I did not believe an award of attorneys' fees would be appropriate. The hours of professional time that I have spent on this case thus exceeds the number of hours set forth in Exhibit A.

Further affiant sayeth not.

Nicholas J. Brunick

Subscribed and Sworn to
Before me this 23rd day of
December, 2003.

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,)
vs.) No. 66 C 1459
CHICAGO HOUSING AUTHORITY,)
Defendant.)

AFFIDAVIT OF MARY E. ANDERSON
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA

I, Mary E. Anderson, being duly sworn, say:

1. I was one of the attorneys for plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois.
2. I am a graduate of Swarthmore College (B.A., 1992, Major in Political Science, Minors in Economics and Religion, with High Honors) where I received the Harry S. Truman Scholarship for public service. I am also a graduate of Princeton University's Woodrow Wilson School of International and Public Affairs (M.P.A., 1997, Concentration in Domestic Policy with a Certificate in Urban and Regional Planning), and a graduate of New York University School of Law (J.D., 1998, cum laude) where I received the Root, Tilden, Snow Scholarship and was an Associate Editor of the Review of Law and Social Change.
3. I am admitted to practice in the State courts of Illinois and New York, and in the federal courts of the Northern District of Illinois.

3. From February, 2002 until February, 2003, I was a Staff Attorney and a salaried employee of Business and Professional People for the Public Interest (BPI). BPI was incorporated as an Illinois not-for-profit corporation in 1969 and since that time has functioned as a public interest law and policy center.

4. During my time at BPI, I had primary and secondary responsibilities on a variety of legal and policy matters concentrating on housing. As well as being one of the several counsel on the Gautreaux litigation, I provided legal and policy research and analysis on affordable housing issues for the Regional Affordable Housing Initiative.

5. Previous to BPI, from September, 2000 until February, 2002, I was a Staff Attorney and Skadden Fellow at the Law Project of the Chicago Coalition for the Homeless (CCH). At CCH, I had primary and secondary responsibilities for litigation and hearings pertaining to the educational rights of homeless children in Chicago and the surrounding suburbs.

6. From August, 1998 until September, 2000, I was a judicial law clerk for the Honorable David H. Coar of the Northern District of Illinois. As Judge Coar's clerk, my primary responsibility was to research and draft opinions and memos for Judge Coar pertaining to cases presently before him.

7. Currently, I am Senior Counsel to Governor Rod Blagojevich of the State of Illinois. I have served as his Senior Counsel since February, 2003. As Senior Counsel, I am one of the Governor's primary legal advisors and I address the majority of legal matters that come before the Governor.

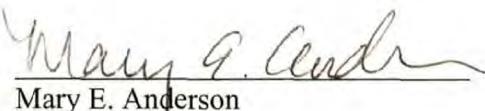

8. I worked on the Gautreaux litigation during my entire tenure at BPI. Under the general supervision of Alex Polikoff and Julie Brown, I had responsibilities relating to the Working Groups for the Lakefront, Madden/Wells and Drexel redevelopments. This work

included drafting motions and negotiating legal issues pertaining to these redevelopments. I also worked on issues relating to relocation of public housing residents during the implementation of the CHA Transformation Plan. This work is reflected in the attached Exhibit A.

9. BPI has an understanding with its salaried attorneys (including me) that any attorneys' fees awarded for their services will be paid to the organization and not to the individual attorneys. Any fees awarded for my services in this case will be paid to BPI.

10. Throughout the time I have participated in this case will be paid to BPI. I recorded the hours spent in contemporaneous daily time records. In October of 2003, I prepared a written record (set forth in Exhibit A hereto) of the professional time that I have spent from June 26, 2002 up to February 7, 2003 on this case. This written record is based upon time records that I maintained for that period. I did not record, nor did I set forth in Exhibit A, numerous instances in which I spent less than 15 minutes on tasks (such as telephone calls and brief discussions) related to this case. The number of hours of professional time which I have spent on this case thus substantially exceeds the number of hours set forth in Exhibit A.

Further affiant sayeth not.

Mary E. Anderson

Subscribed and Sworn to

1. I am one of the attorneys for plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois.
2. I am a graduate of Stanford University (B.A., 1996, with Honors). I am also a graduate of Northwestern University School of Law (J.D., 2002, cum laude). In December 2002, I was selected as a Skadden Fellow, and in September of 2002, I began work at Business and Professional People for the Public Interest (BPI).
3. I was inducted into the Massachusetts Bar on January 8, 2003. On February 28, 2003, I was admitted to practice law in the United States District Court for the Northern District of Illinois.
4. From May 2000 to August 2000, I worked as an intern at the U.S. Attorney's Office in Boston, Massachusetts, in the Major Crimes Division. I assisted in criminal trials and

hearings. My responsibilities included preparing witnesses, formulating closing arguments and drafting legal memoranda on evidentiary, criminal procedure and constitutional issues.

5. From August 2000 to May 2002, I worked as a student staff member at the Children and Family Justice Center at Bluhm Legal Clinic. I worked extensively on delinquency and criminal matters, including cases of possession of an unlawful weapon, arson and murder. I wrote motions to quash arrest and to suppress evidence. I interviewed witnesses, visited detained clients and gathered evidence. I also appeared before the Cook County Juvenile Court.

6. In the summer of 2001, I worked as a summer associate at the law firm of Hill & Barlow in Boston, Massachusetts. I researched and drafted legal memoranda on issues ranging from employment litigation to real estate transactions, as well as criminal defense.

7. I have worked on the Gautreaux litigation since joining BPI. Under the general supervision of Alexander Polikoff, I have had responsibilities relating to the redevelopment efforts within the ABLA and Cabrini-Green Revitalization Areas and to a variety of tasks relating to the CHA's Plan for Transformation.

8. BPI has an understanding with its salaried attorneys (including me) that any attorneys' fees awarded for their services will be paid to the organization and not to the individual attorneys. Any fees awarded for my services in this case will be paid to BPI.

9. Throughout most of the time that I have participated in this litigation, I recorded the hours I spent in contemporaneous daily time records. For those times when I failed to maintain time records in contemporaneous daily fashion, I did my very best to record such time carefully based upon the use of documents such as meeting agendas, my appointment calendars, and consultation with other colleagues to verify my time spent on certain tasks. In the fall of 2003, I prepared a written record (set forth in Exhibit A hereto) of the professional time that I

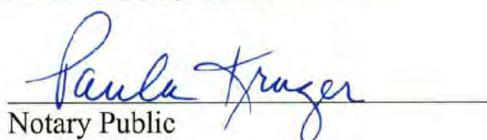

have spent from the time I joined BPI up to a recent date on this case. This written record is based upon time records that I maintained for that period. I did not record, nor did I set forth in Exhibit A instances in which I spent less than 15 minutes on tasks (such as telephone calls and brief discussions) related to this case. I have also eliminated time spent on matters related to this case for which I did not believe an award of attorneys' fees would be appropriate. The hours of professional time that I have spent on this case thus exceeds the number of hours set forth in Exhibit A.

Further affiant sayeth not.

Eloise P. Lawrence

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,)
v.) 66 C 1459
CHICAGO HOUSING AUTHORITY,) Hon. Marvin E. Aspen
Defendant.)

AFFIDAVIT OF ROBERT L. JONES, JR.
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA

I, Robert L. Jones, Jr., being duly sworn, say:

1. I was one of the attorneys of record for the plaintiffs in Gautreaux, et. al. v. Chicago Housing Authority, et al., Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois until May 31, 2002.
2. I am a graduate of the University of Notre Dame (B.A. 1980, Program of Liberal Studies and French, Summa Cum Laude). I am also a graduate of Harvard Law School (J.D., 1984, Cum Laude), where I was Managing Editor of the Harvard Law Review.
3. I was admitted to practice in the state of Illinois and before the United States District Court for the Northern District of Illinois in 1984. I have since been admitted to the Trial Bar of the United States District Court and the bar of the United States Court of Appeals for the Seventh Circuit. I am also admitted to practice in the state of Indiana.
4. During 1984-1985, I served as a Law Clerk to Judge Milton Shadur of the United States District Court for the Northern District of Illinois.

5. From 1985 until 2002, I was a full-time Staff Counsel with Business and Professional People for the Public Interest (BPI). BPI was incorporated as an Illinois not-for-profit corporation in 1969 and since that time has functioned as a public interest law and policy center.

6. From 1985 to 1999, I also served as a part-time faculty member of the Loyola University Chicago School of Law. In that capacity, I taught Professional Responsibility, Appellate Advocacy, Moot Court and Legal Writing classes, and I served as an adviser to editors of the Loyola Law Journal.

7. Since July 1, 2002, I have been a member of the faculty of the Notre Dame Law School and the Director of the Notre Dame Legal Aid Clinic.

8. During my tenure at BPI, I had primary and secondary responsibility for a variety of litigation matters, most of them complex, involving fair housing, public utility and environmental issues. I had first or second chair responsibility in litigation at all levels of both the Illinois and the federal court systems, as well as state and federal administrative agencies. A partial list of matters in which I have had major responsibility includes, in addition to this case:

(a) Federal fair housing litigation: South Suburban Housing Center, et. al. v. Greater South Suburban Association of Realtors, et al., 935 F.2d 868 (7th Cir. 1991), cert. den. 112 S.Ct. 971 (A test case involving challenges to racial diversity programs of a fair housing center and various municipalities); Jorman, et al. v. Veterans Administration, et al., 830 F.2d 1420 (7th Cir. 1987) (A challenge to the operation of federal mortgage lending programs in a racially changing neighborhood); and Kemock v. Calhoun Building Corp., 88 C 196 (N.D. ILL) (A housing discrimination lawsuit against numerous homebuilders and municipal officials).

(b) Public utilities litigation: People ex. rel. Hartigan v. Illinois Commerce Commission, 592 N.E.2d 1066 (ILL. Sup. Ct. 1992) (Recovery of nuclear power plant construction costs); Business and Professional People for the Public Interest v. Illinois Commerce Commission, 525 N.E.2d 1053 (ILL. App. CT. 1988) (Rate refunds for poor nuclear plant performance); Business and Professional People for the Public Interest, et al. v. Commonwealth Edison Co., 87 CH 11098 (Circuit Court of Cook County) (Punitive damages trial); and numerous adversarial hearings before the Illinois Commerce Commission involving electric utility rates and energy efficiency requirements for gas and electric utilities.

(c) Environmental litigation: Sierra Club, Illinois Chapter, et al. v. United States Department of Transportation, et al., 962 F.Supp. 1037 (N.D. ILL. 1997) (challenge to Environmental Impact Statement for new toll highway); People of the State of Illinois, et al. v. CWM Chemical Service, Inc., et al., 91 CH 04768 (Circuit Court of Cook County, Illinois) (Environmental enforcement action regarding hazardous waste incinerator); CWM Chemical Service, Inc. v. Environmental Protection Agency, Illinois Pollution Control Board No. 89-177 (Appeal of hazardous waste incinerator permit denial); and In the Matter of Groundwater Technology Standards, Illinois Pollution Control Board, R89-5 (Promulgation of statewide groundwater protection regulations).

9. I worked on the Gautreaux litigation continuously from 1991 through May 31, 2002. Although I worked on a variety of matters within the case and participated generally in the development of legal strategy on behalf of the plaintiffs class, my principal responsibility after September 1999 was representing Plaintiffs on the Working Groups and related evaluation panels shaping redevelopments in the North Kenwood-Oakland area, including the Lakefront property, the Drexel site, and the Madden Park/Ida B. Wells/Clarence Darrow development.

10. All three Working Groups were active during 2001-2002, meeting regularly and overseeing the development and implementation of plans for new mixed income communities. During the summer of 2001, the Madden/Wells/Darrow Working Group also interviewed potential Phase 1 developers and selected a development team. During the second half of 2001 and early 2002, I was also involved in litigating motions regarding the tenanting of North Kenwood-Oakland scattered sites.

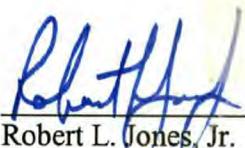

11. BPI has an understanding with its salaried attorneys (including me) that any attorneys' fees awarded for their services will be paid to the organization and not the individual attorneys. Any fees awarded for my services in this case will be paid to BPI.

12. Throughout the time I participated in this litigation, I recorded the hours I spent in contemporaneous daily records. Using those records, I prepared a written summary, set forth in Exhibit A hereto, of time that I spent on this case from August 1, 2001 to May 31, 2002.

13. The actual amount of professional time that I spent on this case exceeds the time set forth in Exhibit A. I did not record, nor did I set forth in Exhibit A, numerous instances in which I spent less than 15 minutes on tasks (such as telephone calls and brief discussions). In addition, I have omitted time set forth in my daily time sheets for this case where I indeed spent time on tasks performed were inappropriate for an award of fees.

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,)
vs.) No. 66 C 1459
CHICAGO HOUSING AUTHORITY,)
Defendant.)

**AFFIDAVIT OF JONATHAN KADEN
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA**

I, Jonathan Kaden, being duly sworn, say:

1. I was one of the attorneys for the plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois during the period of my employment at Business and Professional People for the Public Interest (BPI).

2. I am a graduate of Duke University (A.B., 1996, magna cum laude, Public Policy Studies). I am also a graduate of Northwestern University School of Law (J.D., 1999, cum laude), where I was a Note and Comment Editor for the Journal of Criminal Law and Criminology. In late 1998 I was awarded a 1999 Skadden Public Interest Law Fellowship to work at BPI.

3. I was admitted to practice in the state courts of Illinois and the United States District Court for the Northern District of Illinois in 1999.

4. From September 13, 1999 through September 14, 2001, I was a Skadden Fellow at BPI. BPI was incorporated as an Illinois not-for-profit corporation in 1969 and since that time has functioned as a public interest law and policy center.

5. Since October 1, 2001, I have been an associate with the law firm Sonnenschein Nath & Rosenthal LLP, where my practice has focused on a wide range of real estate and affordable housing transactions.

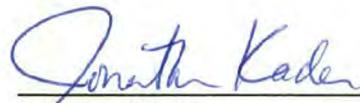

6. I worked on the Gautreaux litigation continuously during my employment at BPI. Under the general supervision of Alexander Polikoff and Jeanne Nowaczewski, I had responsibilities relating to various Gautreaux matters, including, but not limited to, the redevelopment of the ABLA public housing development, securing the relocation rights of CHA residents, and the recovery of attorneys' fees in this matter, as reflected in the attached Exhibit A.

7. BPI has an understanding with its salaried attorneys that any attorneys' fees awarded for their services will be paid to the organization and not to the individual attorneys. Any fees awarded for my services in this case will be paid to BPI.

8. Throughout the time I have participated in this litigation I recorded the hours I spent in contemporaneous daily time records. In the few instances where those records were not complete, I supplemented them with other contemporaneous materials, such as meeting notes, notations in my daily calendar, and the contemporaneous daily time records of my colleagues. In October, 2003, I prepared a written record (set forth in Exhibit A hereto) of the professional time that I have spent from August 1, 2001 to September 14, 2001 on this case. This written record is based upon time records that I maintained for that period. I did not record, nor did I set forth in Exhibit A, instances in which I spent less than 15 minutes on tasks (such as telephone calls and brief discussions) related to this case for which I did not believe an award of attorneys' fees

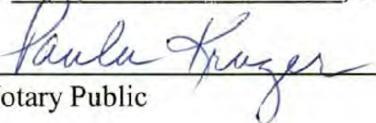

would be appropriate. The number of hours of professional time that I spent on this case thus exceeds the number of hours set forth in Exhibit A.

Further affiant sayeth not.

Jonathan Kaden

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,)
vs.) No. 66 C 1459
CHICAGO HOUSING AUTHORITY,)
Defendant.)

AFFIDAVIT OF HENRY J. FORD, JR.
SUPPORTING MOTION FOR ATTORNEYS' FEES AGAINST CHA

I, Henry J. Ford, Jr., being duly sworn, say:

1. I am one of the attorneys for plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459, in the United States District Court for the Northern District of Illinois.
2. I am a graduate of Hampton University (B.S., 1999, magna cum laude, Political Science). I am also a graduate of Syracuse University College of Law (J.D., 2002) and the Maxwell School of Citizenship and Public Affairs (M.P.A., 2002). In December 2002, I was selected as the fourth Polikoff-Gautreaux Fellow, and in June of 2002, I began work at Business and Professional People for the Public Interest (BPI).
3. I was inducted into the Illinois Bar on November 7, 2002. On December 19, 2002, I was admitted to practice law in the United States District Court for the Northern District of Illinois.

4. From August 2001 to December 2001, I worked as a student attorney with the Criminal Law Clinic at Syracuse University College of Law. As a student attorney, I represented indigent clients charged with misdemeanors before the Syracuse Criminal Court. In the summer of 2001, I worked as a legal intern in the legal affairs department at the national headquarters (New York City) of the Anti-Defamation League, a national civil rights organization aimed at fighting anti-Semitism and bigotry, both domestically and internationally.

5. I have worked on the Gautreaux litigation since joining BPI. Under the general supervision of Alexander Polikoff, I have had responsibilities relating to the redevelopment efforts within the North Kenwood-Oakland Revitalization Area (specifically Lake Park Crescent and Jazz on the Boulevard) and to a variety of tasks relating to the CHA's Plan for Transformation.

6. BPI has an understanding with its salaried attorneys (including me) that any attorneys' fees awarded for their services will be paid to the organization and not to the individual attorneys. Any fees awarded for my services in this case will be paid to BPI.

7. Throughout most of the time that I have participated in this litigation, I recorded the hours I spent in contemporaneous daily time records. For those times when I failed to maintain time records in contemporaneous daily fashion, I did my very best to record such time carefully based upon the use of documents such as meeting agendas, my appointment calendars, and consultation with other colleagues to verify my time spent on certain tasks. In the fall of 2003, I prepared a written record (set forth in Exhibit A hereto) of the professional time that I have spent from the time I joined BPI up to a recent date on this case. This written record is based upon time records that I maintained for that period. I did not record, nor did I set forth in Exhibit A instances in which I spent less than 15 minutes on tasks (such as telephone calls and

brief discussions) related to this case. I have also eliminated time spent on matters related to this case for which I did not believe an award of attorneys' fees would be appropriate. The hours of professional time that I have spent on this case thus exceeds the number of hours set forth in Exhibit A.

Further affiant sayeth not.

Henry J. Ford, Jr.

Subscribed and Sworn to
Before me this 23rd day of
December, 2003.

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.,)
Plaintiffs,)
v.) 66 C 1459
CHICAGO HOUSING AUTHORITY,) Hon. Marvin E. Aspen
Defendant.)

**PLAINTIFFS' MEMORANDUM IN SUPPORT OF MOTION
FOR AWARD OF ATTORNEYS' FEES AND RELATED EXPENSES
AGAINST DEFENDANT CHICAGO HOUSING AUTHORITY**

Pursuant to the Civil Rights Attorney's Fees Awards Act of 1976, 42 U.S.C. §1988(b), plaintiffs submit this memorandum in support of their motion and accompanying affidavits for an award of attorneys' fees and related expenses against the defendant Chicago Housing Authority ("CHA").

The Seventh Circuit has previously upheld this Court's determination that plaintiffs are "prevailing parties" under Section 1988 and are entitled to attorneys' fees against CHA. Gautreaux v. CHA, 690 F.2d 601 (7th Cir. 1982) (affirming Gautreaux v. CHA, 523 F. Supp. 684 (1981). See, Hensley v. Eckerhart, 461 U.S. 424, 429 (1983) (prevailing plaintiff "should ordinarily recover an attorney's fee unless special circumstances would render such an award unjust"). See also, Hastert v. Illinois State Board of Election Commissioners, 28 F.3d 1430, 1439 (7th Cir. 1993). Subsequently the Court has awarded plaintiffs attorneys' fees on several additional occasions, most recently by Order of April 2, 2002, covering work from September 25, 1999 to July 31,

2001. The present motion seeks fees for the ensuing two-year period, from August 1, 2001 to July 31, 2003. The Joint Statement called for by LR54.3(f) is attached to the motion as Exhibit I.

Part I of this memorandum addresses CHA's contention (Joint Statement par. 8) that two judicial decisions, Buckhannon Bd. & Care Home v. W. Va. Dep't of Health & Human Res., 532 U.S. 598 (2001), and Alliance to End Repression v. Chicago, 356 F.3d 767 (7th Cir 2004), preclude an award of fees in any amount. Part II addresses the alternate CHA argument (Joint Statement pars. 5, 9, 10) that the fees and expenses sought are excessive.

I. Buckhannon and Alliance Do Not Preclude an Award of Fees

In Buckhannon the Supreme Court ruled that a party seeking fees must have secured either a judgment on the merits, or a consent decree or other settlement order, to qualify as a "prevailing party" under fee-shifting statutes. Buckhannon rejected the "catalyst theory" under which plaintiffs had been deemed prevailing parties if lawsuits had brought about voluntary changes in defendants' conduct without any enforceable judgment, consent decree, or other settlement order ever having been entered in the case. 532 U.S. 605-06.

Alliance involved a fee award for post-decretal work where a 1981 consent decree prohibited the Chicago police department from engaging in certain investigative activities. Alliance applied Buckhannon to post-decretal litigation that, because the decree had been fully complied with and had accomplished its purpose, was viewed as clearly separable from the proceedings leading to the consent decree. 356 F.3d at 771. Alliance held that under those circumstances, because after Buckhannon the plaintiffs

could no longer rely on the catalyst theory, and because they had experienced "nothing but loss" in the separable post-decretal proceedings, *id.* 770, they were not prevailing parties as to those separable matters.

Since plaintiffs do not rely on the catalyst theory rejected by Buckhannon, and since unlike the situation in Alliance post-judgment proceedings here are not separable for fee purposes from the proceedings leading to the 1969 Judgment Order, neither case precludes recovery of further fees here.

First, in Buckhannon no judgment, consent decree or like order had ever been entered in the case; the threat of proceeding to such an order apparently "catalyzed" voluntary conduct by the defendant that lead the plaintiffs to forego further court action. Plaintiffs' theory was that the "catalyzed" conduct of defendants entitled plaintiffs to prevailing party status and fees, even though no liability or remedial court order had ever been entered. 532 U.S. at 601. This is the theory Buckhannon rejected, saying that the fees statute required some court order, a "judicial imprimatur." *Id.* at 605. Here, of course, a "judicial imprimatur" in the form of the 1969 Judgment Order exists, and this Court, in a holding specifically affirmed by the Seventh Circuit, has held that plaintiffs are therefore prevailing parties and entitled to fees. This Court, it may be noted, has already found plaintiffs entitled to an award of fees post-Buckhannon. (Order of April 2, 2002.)

Second, Alliance viewed the post-decretal proceedings before it as "clearly separable" from the proceedings leading to the consent decree because the decree-prescribed remedy had long been fully secured – the City of Chicago "had complied with the decree throughout the period of almost two decades in which it had been in force," and "[t]he decree in its original form had accomplished its purpose. . ." 356 F.3d at 774.

Accordingly, it was necessary for plaintiffs to establish their prevailing party status *in those separate proceedings*, which they could not do because in those proceedings they lost everything and did not win anything.¹

Here of course, as the Court well knows, the CHA has not complied with the Judgment Order throughout the period since 1969, and the order has not fully accomplished its purpose. Accordingly, the factual basis present in Alliance for treating the post-judgment proceedings as separable for fee purposes is entirely lacking here.

Moreover, the separability contention respecting post-judgment proceedings in Gautreaux has been expressly considered and rejected by both this Court and the Seventh Circuit. In this Court, opposing a prior fees motion, CHA argued that the Judgment Order was "final" and that "all other matters were supplemental." 523 F. Supp. at 689. The Court rejected this "mischaracterization of this case as many separate matters, including independent supplemental proceedings," 523 F. Supp. at 689, 690, and granted plaintiffs' fee motion, including for post-judgment work. Affirming, the Seventh Circuit explicitly considered CHA's supplemental proceedings argument and rejected it, saying it was "consistent with the history of this particular lawsuit. . . and with the nature of equitable proceedings in general not to divide a continuously active equitable case into a host of separate smaller matters." Gautreaux, 690 F. 2d at 604,

¹ Alliance described the relevant fee petition as follows:

The \$1 million award is for . . . two proceedings for contempt of the decree, which failed; the opposition . . . which also failed, to the modification of the decree; and efforts, which also bore no fruit so far as anyone can say, to monitor the City's compliance with the decree.... 356 F.3d at 769.

The Alliance legal analysis rests on the factual bedrock of complete and utter failure, the court pointing out that "in the present case there has for a decade now been nothing but loss – a million dollars' worth of legal services poured down the drain." Id. at 770.

605. The Court then went on explain why it was proper to treat this case as a continuous litigation:

[T]he finding of a constitutional violation is in a practical sense only the preliminary hurdle. The heart of the lawsuit is the remedial stage, where the parties struggle, often for years, over the scope and details of injunctive relief. *Id.* at 610.

The Seventh Circuit recently reconfirmed this view when it ruled that three Gautreaux orders issued by this Court in 1998 were "interlocutory in nature" and flowed from the 1969 Judgment Order, and that they therefore could not be appealed. Gautreaux v. CHA, 178 F.3d 951, 952, 958 (7th Cir. 1999).

Third, suppose, however, contrary to these explicit 1982 and 1999 holdings of the Seventh Circuit, the proceedings in the present fee period were -- for some unimaginable reason -- viewed as supplemental or separable proceedings to which Buckhannon's judicial imprimatur requirement was to be separately applied. Even that indefensible view would not avail CHA, for there are several "judicial imprimaturs" in this fee period alone.

To give but a single example, in December 2002 plaintiffs filed a six-page (single-spaced) motion seeking an order,

- A. To expand the Horner Revitalizing Area (HRA);
- B. To authorize the development of a prescribed number of new non-elderly public housing units within both the existing and expanded HRA;
- C. To permit some public housing previously constructed within the HRA to be converted to affordable or market units, subject to specified conditions;
- D. To permit families with children to be housed in certain public housing units above the third floor, subject to plaintiffs' written approval of the location and configuration of such units; and

- E. To authorize the plaintiffs to allocate up to \$12 million of Gautreaux "set-aside" funds to support the proposed additional public housing development. (The motion represented that CHA had agreed to provide additional funding in an amount at least equal to the Gautreaux allocation, and also that CHA would make available another \$7.8 million as a result of a settlement of the Horner lawsuit.)

The motion was filed on behalf of CHA as well as plaintiffs, and was supported by a detailed affidavit of Daniel E. Levin on behalf of the Court's Receiver. On December 12, 2002, the requested order was entered. For the Court's convenience a copy of the motion, affidavit and order are attached as Exhibit A.

CHA asserts that the orders entered during the present fee period were all agreed. (Joint Statement Par. 8.) Yet Buckhannon and Alliance require orders, period. Nothing in either case says or implies that the requisite "judicial imprimatur" may not be in the form of an agreed order. Indeed, Buckhannon specifically contemplates that the imprimatur may take the form of a consent decree or other settlement order, 532 U.S. at 605-06, both of which, by definition, are "agreed." Whether agreed or not, the December 12, 2002 Order, like others entered during the present fee period (for example, orders of 9/7/01, 8/29/02, 9/11/02, and 3/18/03, dealing respectively with, among other things, modifying the Judgment Order to permit families with children to be housed above the third story in certain buildings, modifying the Tenant Assignment Plan prescribed by the Judgment Order, expanding the North Kenwood-Oakland Revitalizing Area, and modifying the Judgment Order map by reason of new census data), each of which is related to the "common core" (Hensley, 461 U.S. at 435) of carrying forward the Gautreaux remedial process, satisfy many times over the Buckhannon imprimatur requirement.

* * * *

By virtue of two separate decisions of the Seventh Circuit (not to mention the several prior fee awards by this Court), the law of this case is that Gautreaux is a continuous litigation and is not to be cut into separate slices for fee purposes. The post-judgment proceedings covered by the present fee period are part and parcel of the Gautreaux remedial process – the “struggle, often for years, over the scope and details of injunctive relief,” “the heart of the lawsuit.” 690 F.2d at 610. Plaintiffs’ work during this period (described in more detail in Part II below) is as much a part of this “struggle” as their work during prior periods.

Because plaintiffs do not rely on the catalyst theory, because for multiple reasons Alliance is obviously inapposite, and because even viewing the present fee period as “separable” (contrary to two Seventh Circuit decisions) does not avail CHA, neither Buckhannon nor Alliance, singly or taken together, precludes the presently sought fee award. CHA’s contention to the contrary borders on the frivolous.

II. Plaintiffs’ Fee Request is Reasonable

Alternatively, CHA contends that much of the compensation plaintiffs seek should be disallowed because (a) of alleged overstaffing, (b) some of the work done was allegedly “non-legal” or “outside the scope” of this case, and (c) the requested hourly rates are said to be too high. Joint Statement pars. 5, 9 and 10. Before we briefly respond to these contentions, a few paragraphs of background respecting fee motions generally will be appropriate.

In calculating hours reasonably expended for the purpose of determining the "lodestar," the party seeking fees must exercise "billing judgment," that is, "make a good-faith effort to exclude. . . hours that are excessive, redundant, or otherwise unnecessary." Hensley v Eckerhart, 461 U.S. 424, at 433.

This plaintiffs have done. As the attached additional affidavit of Alexander Polikoff, plaintiffs' lead counsel, shows, plaintiffs eliminated from their initial fee request to CHA the following:

- (1) all hours spent by anyone on certain categories of work in this case;
- (2) all hours spent by certain attorneys, and all hours spent by law student interns, on any work in this case;
- (3) all hours spent by anyone on any task lasting less than 15 minutes; and
- (4) one-half of the fees that otherwise would have been requested for time spent in "Gautreaux team meetings" – conferences to discuss this case that involved all or most plaintiffs' attorneys working on the case.

Additional Affidavit of Alexander Polikoff, Exhibit B.

In addition to the foregoing, after discussions with CHA and in an attempt to reach agreement on fees with minimal Court involvement, plaintiffs made still further deductions from their fee request.² These eliminated:

- (5) all hours spent by more than two plaintiffs' attorneys attending the same meeting (except "Gautreaux team meetings," as to which see (4) above);
- (6) some hours attributed to attorneys "getting up to speed;" and
- (7) all hours spent on certain additional categories of work. Additional Affidavit of Alexander Polikoff, Exhibit B.

² The time sheets submitted to the Court as Exhibit III to the Motion are the ones submitted to CHA prior to the start of any negotiations; they do not reflect the deductions made after negotiations began. The amount requested in the Motion, however, does reflect all the deductions.

Finally, plaintiffs are deferring to a later date any request for fees relating to the preparation, negotiation, and Court proceedings concerning this fee request, and to two other categories of work relating, respectively, to the authorization of Project Based Section 8 units and to mobility programs in the CHA Section 8 program.

The remaining hours for which plaintiffs now request compensation comprise the hours spent by nine plaintiffs' attorneys³ over two years on a wide variety of matters, such as:

- (a) scattered site issues, including amending the CHA Tenant Selection and Assignment Plan to give relocated CHA families priority for scattered-site units and requiring quarterly CHA reports to plaintiffs' counsel on the repair and tenanting of vacant scattered site units;
- (b) a variety of public housing development issues, including expansion of the geographic areas covered by the Henry Horner and North Kenwood-Oakland Revitalizing Orders, and participating in the development of plans leading to or anticipated to lead to additional revitalizing orders;
- (c) participating in ten "Working Groups" at each of ten CHA redevelopments, for some of which revitalizing orders have been entered, and for others of which they are likely to be sought (see below for CHA's description of the nature and scope of Working Group activities);
- (d) the "Gautreaux II Program" of the Leadership Council for Metropolitan Open Communities, providing integrated housing opportunities for Gautreaux class families being relocated from CHA developments;
- (e) "habitability" issues, relating to the repair and maintenance of public housing units in which plaintiffs reside before moving to newly developed, rehabilitated or rent subsidy units; and
- (f) relocation services which, among other things, assist plaintiff class families in selecting among the remedial housing opportunities made

³ A maximum of seven of the nine were working on this case at any one time. On average 5.75 attorneys were assigned to Gautreaux work during the two-year period included in this fee request.

or to be made available to them under CHA's Plan for Transformation Plan.

The foregoing list is illustrative only. Details are provided in the affidavits attached to the motion.

Once billing judgment has been exercised, the lodestar figure is calculated by multiplying hours reasonably expended by a reasonable hourly rate. People Who Care v. Rockford Bd. of Educ., 90 F.3d 1307, 1310 (7th Cir. 1996), citing, Hensley, 461 U.S. at 433. Here, as in plaintiffs' previous fee motions, the reasonable hourly rates are based on market rates – see the affidavit of Lowell Sachnoff, attached to the motion as Exhibit II. See also, Missouri v. Jenkins, 491 U.S. 274, 283-84 (1989); Gautreaux v. CHA, 690 F.2d at 612. The lodestar calculation, which here produces the \$728,827 plaintiffs' motion requests, is then presumed to represent a reasonable fee award. Blanchard v. Bergeron, 489 U.S. 87, 94-95 (1989) (discussing cases).

CHA's three objections – alleged overstaffing, non-compensable work, and overly high hourly rates – will presumably be further addressed in CHA's responsive and plaintiffs' reply memoranda. Based on what CHA has said in the Joint Statement, however, plaintiffs make the following preliminary observations.

A. Overstaffing

CHA contends that more than one lawyer in a conference or on a phone call is too many, and also asserts that plaintiffs cannot be compensated for time spent by their lawyers in consultation with each other. The courts have routinely rejected this view whenever (rarely) it has been advanced. As Judge Easterbrook, sitting as a district judge by designation, said:

Use of more than one lawyer is common in legal practice. Consultation among lawyers ensures that they do not

overlook significant facts or inquiries. . . Two lawyers are the minimum in much private litigation.

Bohen v. City of East Chicago, 666 F. Supp. 154, at 157 (N.D. Ind. 1987).

See also, Kurowski v. Krajewski, 848 F.2d 767, 776 (7th Cir. 1988) ("The use of two (or more) lawyers. . . may well reduce the total expenditures by taking advantage of the division of labor. . ."); Egert v. Connecticut General Life Ins. Co., 1991 U.S. Dist. LEXIS 6693, at 11 (N.D. Ill., 1991) (cases often argued and prepared "by far more than two attorneys"). See also, Berberena v. Coler, 753 F.2d 629 (7th Cir. 1985) (allowing fees for time spent by attorneys in strategy conferences and meetings).

A. Non-compensable Work

CHA also contends that plaintiffs' attorneys should not be compensated for time spent participating in Working Group meetings (among other unspecified "non-legal" work). While Working Group meetings are not judicial proceedings, they are a key venue in which CHA redevelopment plans are fashioned. CHA has described one Working Group's role as follows:

All plans and proposals are discussed and agreed to by the members of the Working Group, and no step moves forward without the participants' support. . . . Meeting at least twice a month as a group, and also holding numerous individual meetings with Working Group members, this advisory council has provided significant input at every stage of the development planning process. . . . The Working Group will continue to play this advisory role throughout the implementation of the redevelopment, by helping with decisions relating to demolition, consolidation and phasing, and also determining how the development will proceed at each step of the process. ABLA HOPE VI Revitalization Plan, Section 17, p.1, July 20, 2001, attached in Exhibit C.

The determinations made in Working Groups lead directly to the development and implementation of revitalizing and other orders entered by this Court, and to other

decisions and steps that are vital to the achievement and protection of the remedy for the Gautreaux class families. It is undoubtedly for this reason that CHA recognizes plaintiffs' counsel as a member of Working Groups, and lists them as such in CHA's Annual Moving to Work Plans and Reports. See, e.g. CHA MTW Plan FY2001, App. V, p. 77, attached in Exhibit C.

In Pennsylvania v. Delaware Valley Citizens' Council for Clean Air, 478 U.S. 546 (1986), the Supreme Court considered fee requests for time spent by plaintiffs' counsel in preparing and submitting comments on draft regulations to administrative agencies. Noting that the proceedings in question were "not 'judicial' in the sense that they did not occur in a courtroom or involve 'traditional' legal work. . .," 478 U.S. at 451, citing, Webb v. Board of Ed. of Dyer County, 471 U.S. 234, 243 (1985), the Court held that "the fact that the work done. . . did not occur in the context of traditional judicial litigation does not preclude an award of reasonable attorney's fees...." 478 U.S. at 558, 560-561.⁴

C. Hourly Rates

As to CHA's Joint Statement contention that plaintiffs' requested hourly rates are too high, the affidavit of Lowell Sachnoff (Motion Exhibit II) directly addresses the "market standard" established by the cases as the criterion for determining reasonable hourly rates. Plaintiffs are entitled to the prevailing market rate "that lawyers of similar ability and experience in the community normally charge their paying clients for the type of work in question." Eddleman v. Switchcraft Inc., 965 F.2d 422, 424 (7th Cir. 1992), quoting, Henry v. Webermeier, 738 F.2d 188, 193 (7th Cir. 1984). See also, Missouri v.

⁴ CHA also seeks to reduce plaintiffs' expense award to eliminate expenses related to Working Group activity. Just as CHA's fee argument in this regard should be rejected, so should its proposed disallowance of Working Group expenses.

Jenkins, 491 U.S. 274, 283 ("fees awarded under this statute are to be based on market rates for the services rendered").

Conclusion

CHA's objections to the requested fees and expenses are without merit.

WHEREFORE, based on compensable time reasonably expended and reasonable expenses incurred from August 1, 2001 to July 31, 2003, and subject to the "reserved" items noted above, plaintiffs request a fee of \$728,827, plus \$3,706 in expenses, for a total award of \$732,534.

Respectfully submitted,

EXHIBIT A

EXPANSION OF THE HORNER REVITALIZING AREA ORDER, JOINT MOTION, AND AFFIDAVIT

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al.)
Plaintiffs,) 66 C 1459
vs.) Hon. Marvin E. Aspen
CHICAGO HOUSING AUTHORITY)
Defendants.)

AGREED ORDER

This matter coming to be heard on the joint motion of the Plaintiffs and the Defendant Chicago Housing Authority for an order to expand the Horner Revitalizing Area ("HRA") by adding the area of the City of Chicago bounded by Lake Street on the North, Washington Boulevard on the South, Hermitage Avenue on the East and Damen Avenue on the West, to permit development of family public housing units within the expanded HRA, to authorize adoption of certain measures that may be taken to further promote economic integration, to permit families with children to be housed in certain public housing units above the third story within the HRA, subject to the plaintiff's written approval and to authorize allocation of Gautreaux funding to aid such development; and

The Receiver, Daniel Levin and the Habitat Company, having represented to the Court that the Expansion Area is an appropriate and desirable location for approximately 271 public housing units; and

The Court being cognizant that the principal remedial purpose of the orders previously entered in this case has been to provide plaintiff class families with desegregated housing opportunities; and

The Court also being cognizant that on occasion it has permitted public or assisted housing to be provided in census tracts other than the General Public Housing Area upon a sufficient showing of "revitalizing" circumstances such that a responsible forecast of economic integration, with a longer term possibility of racial desegregation, could be made; and

The Court being of the view that based on the circumstances described in the joint motion and supporting affidavit, such a forecast can be made with respect to the expanded HRA if the terms and conditions of this order are met; and

The Court being of the view that additional economic integration within the originally designated HRA is desirable; and

The Court being of the view that permitting families with children to be housed in certain public housing units above the third story within the HRA, subject to the plaintiff's written approval of the initial location and configuration of such units, will be an

appropriate and desirable way to create viable mixed-income and desegregated housing opportunities for members of the plaintiff class;

Now, therefore, IT IS HEREBY ORDERED:

1. The previously designated HRA shall be expanded to include the area of the City of Chicago bounded by Lake Street on the North, Washington Boulevard on the South, Hermitage Avenue on the East and Damen Avenue on the West;

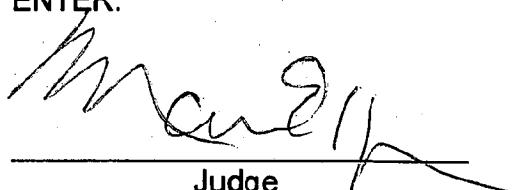

2. The Receiver, previously appointed by the Court to develop family public housing on behalf of the defendant, Chicago Housing Authority, shall be free to develop within the expanded HRA 271 units of public housing, provided, however, that additional non-public housing units are constructed within the expanded HRA such that public housing units constitute no more than 35.5% of the total number of units to be constructed, that in each phase of construction this ratio of public to non-public housing units is maintained, that the public housing units are and remain well distributed throughout the expanded HRA and within buildings, and that at plaintiffs' request, the defendant shall provide or cause to be provided to plaintiffs annual written reports on the location of public housing units, including sufficient information to assess whether such units continue to be broadly dispersed throughout the expanded HRA and within buildings;

3. Notwithstanding any previous order in this cause and Paragraph 2 of this Order, the number of public housing units within the previously designated HRA may be reduced so long as an equal number of public housing units in addition to the 271 public housing units described above is provided within the expanded HRA, very low income public housing units are replaced with very low income public housing units, low income public housing units are replaced with low income public housing units, and public housing residents are not involuntarily relocated as part of this effort;

4. Within the HRA the Receiver shall be free to provide public housing units above the third floor for families with children as it deems consistent with achieving the purposes of the Gautreaux order, except that no such units shall be provided until plaintiffs approve in writing the initial location and configuration of such units, and except that in elevator buildings with family public housing units above the third floor such units shall comprise no more than 35.5% of the total number of residential units; and

5. Plaintiffs shall be free to allocate up to \$12 million of the "set-aside" available to them under the Consent Decree approved by this Court in 66 C 1460 to aid in implementing paragraph (2) of this Order.

DOROTHY GAUTREAUX, et al.

Plaintiffs,

vs.

CHICAGO HOUSING AUTHORITY

Defendant.

66 C 1459

Horner Marvin E. Aspen

RECEIVED
DEC 10 2002
MARVINE E. ASPEN

JOINT MOTION OF PLAINTIFFS
AND DEFENDANT CHICAGO HOUSING AUTHORITY
FOR AN ORDER EXPANDING THE HORNER REVITALIZING AREA,
AUTHORIZING DEVELOPMENT OF PUBLIC HOUSING UNITS THEREIN,
AUTHORIZING ADOPTION OF ADDITIONAL MEASURES THAT MAY BE TAKEN TO
FURTHER PROMOTE ECONOMIC INTEGRATION,
PERMITTING FAMILIES WITH CHILDREN TO BE HOUSED
IN CERTAIN PUBLIC HOUSING UNITS ABOVE THE THIRD FLOOR, AND
AUTHORIZING ALLOCATION OF GAUTREAUX FUNDING
TO AID IN SUCH DEVELOPMENT

Plaintiffs and Defendant Chicago Housing Authority ("CHA"), by their respective attorneys, with the support of Daniel E. Levin and the Habitat Company (the "Receiver"), move this Court as follows:

- A. To expand the Horner Revitalizing Area ("HRA") by including the area of the City of Chicago bounded by Lake Street on the North, Washington Boulevard on the South, Hermitage Avenue on the East and Damen Avenue on the West ("the Expansion Area");
- B. To authorize the development of approximately 271 new non-elderly public housing units within both the existing HRA and the Expansion Area, subject to such conditions as are specified below (and subject to the Horner Consent Decree and the Order entered by the Horner Court on February 1, 2000, both of which continue to be applicable to Horner redevelopment);
- C. To permit public housing units already constructed within the previously designated HRA to be converted to affordable or market units, subject to such conditions as are specified below;
- D. To permit families with children to be housed in certain public housing units above the third floor, subject to the plaintiff's written approval of the initial location and configuration of all such units; and
- E. To authorize the Plaintiffs to allocate up to \$12 million of Gautreaux "set-aside" funding to aid in implementing the public housing development described above.

In support of this motion, the parties state as follows:

1. The Court has previously entered orders respecting the HRA as follows:

A. On March 9, 1995, the Court entered an order designating as the HRA "that portion of the City of Chicago that lies between Damen Avenue on the East, Western Avenue on the West, Lake Street on the North, and the Eisenhower Expressway on the South." The Court also authorized the development of public housing units in the HRA, subject to further order of the Court.

B. On August 14, 1995, the Court entered a further order authorizing the development of 466 replacement public housing units in the previously designated HRA through acquisition and rehabilitation or new construction, provided certain conditions were met.

C. On April 15, 1996, the Court entered a further order expanding the HRA to include an area bounded by Lake Street on the North, Madison Street on the South, Talman Avenue on the East and Kedzie Avenue on the West. Among other things, the order also authorized the Receiver to locate up to 100 of the previously authorized 466 replacement housing units within the expanded HRA.

D. On October 22, 1998, the Court entered an order further enlarging the HRA to include an area bounded by Madison Street on the North, Van Buren Street on the south, Washtenaw Avenue on the East, and Kedzie Avenue on the West, and authorizing development of approximately 60 of the previously authorized 466 replacement units of public housing therein.

2. For the reasons set forth below and in the attached affidavit from Daniel Levin and the Habitat Company, the parties have determined that the Expansion Area satisfies the Gautreaux "revitalizing" criteria and that the expanded HRA would be an appropriate location for the approximately 271 replacement housing units proposed to be located there:

A. Henry Horner redevelopment has proceeded in two phases. "Phase I," previously authorized by the Court, is complete and the replacement housing units authorized by said orders of August 14, 1995, April 15, 1996 and October 22, 1998 have been built and occupied. Phase I produced units for an equal mix of low and very low income public housing families. The success of Phase I made possible a more ambitious "Phase II" income mix, including a substantial market rate component. When Phase II – the redevelopment that is the subject of this motion – is complete, the housing within the expanded HRA will have been entirely transformed – 1,730 dilapidated public housing units will have been replaced with 732 new and 90 rehabilitated public housing units, 132 affordable units and 361 market rate units (a total of 1315 residential units). Where Horner's residents were once almost exclusively very low income, the new

development will be mixed-income. When Horner redevelopment is complete, approximately 40 percent of all Phase I and II units will be designated for very low income public housing families and 27 percent will be sold or rented at market rates. Where public housing was once isolated and concentrated in an area roughly three-quarters of a mile long and one block wide, the new public housing units will be integrated among non-public housing units and broadly dispersed throughout the expanded HRA and within buildings.

B. In Phase I, completed in October 2000, five high- and mid-rise public housing buildings at the center of the site were demolished and the Receiver constructed 461 mixed-income public housing townhomes throughout the HRA. (Though the Court authorized development of 466 public housing units, only 461 were built because of environmental problems on one site where five units were to have been built.) In addition, just outside the HRA, at the Henry Horner Annex, three buildings with a total of 90 units were either completely rehabilitated or demolished and replaced.

C. In February of 2001, a Working Group, consisting of the Receiver, the Gautreaux plaintiffs, CHA, the City of Chicago, the Horner Residents Committee and the Horner plaintiffs, selected an experienced development team, Brinshore-Michaels, to carry out Phase II of Horner redevelopment. The team received formal approval from the CHA Board of Commissioners in May 2001. Since then, the Working Group and Brinshore-Michaels have made plans to transform the remaining portions of the Horner site, consisting of the Expansion Area and a heretofore undeveloped portion of the previously designated HRA.

D. In Phase II, five high-and mid-rise public housing buildings have been demolished; the remaining six buildings will be torn down as development proceeds. Phase II will produce 764 rental and homeownership units. Of the total, 271 (35.5 percent) will be reserved for public housing residents, 132 (17.3 percent) will be designated "affordable," and 361 (47.3 percent) will be designated "market rate." Nearly 40 percent of the new units will be for sale. Public housing and market rate units will be broadly dispersed throughout the expanded HRA and within buildings.

E. Substantial funding has already been committed to this project. HUD has awarded a HOPE VI grant of \$18,435,300. In addition, the Receiver and the Gautreaux plaintiffs are prepared to allocate up to \$12 million in Gautreaux set-aside funding. The Chicago Housing Authority has agreed to provide additional funding in an amount that is at minimum equal to the Gautreaux allocation. Further, CHA will make available another \$7.8 million as a result of a settlement in the Horner lawsuit. The City of Chicago will fund infrastructure improvements and provide major subsidies for housing construction which may include tax-exempt bonds, provision of low income housing tax credits, and mortgage financing through the HOME and CDBG programs. The City has also designated

an area, which includes the Expansion Area, as a Tax Increment Financing district, eligible to receive funds for business and housing development.

F. Since the Horner redevelopment began, there has been a large investment of public and private resources in the HRA and the surrounding community, including a substantial increase in private housing rehabilitation and construction. Within the HRA, several condominium projects have been completed in recent years, with some two bedroom units selling for more than \$250,000 and three-bedroom units being offered for more than \$300,000. Plans are underway for another condominium development, with 34 market rate units. Housing prices have skyrocketed in the neighborhoods adjacent to the HRA; condominiums have sold for more than \$400,000 just blocks from the proposed Expansion Area.

G. Residential revitalization has encouraged commercial development within the HRA. This year, a new, 15,000 square foot Walgreens opened at the north-east corner of Madison Street and Western Avenue. Across the street, the City of Chicago has selected a developer to construct a 66,000 square foot shopping center that will be anchored by a new full-service grocery store.

H. The proposed Expansion Area is located in an area with strong prospects for mixed-income success. The Expansion Area is just over a mile west of the heart of downtown Chicago. It is well-served by prominent city streets and expressways. Just south of the Expansion Area is the Illinois Medical District, with two major teaching hospitals and Cook County Hospital. In the near future, these institutions expect to invest more than a billion dollars in neighborhood improvements. Moreover, the institutions represent one of the state's largest employment centers outside of downtown Chicago.

3. For these reasons, the parties believe that the enlarged HRA is an appropriate location for the development of 271 public housing units. Based on the foregoing, the parties believe that a responsible forecast of economic integration, with a longer-term possibility of racial desegregation, can be made for the Expansion Area. Development of hundreds of new, high quality residential properties within the Expansion Area, together with demolition of the older, dilapidated public housing units within it, will decrease concentrations of poverty within the HRA and the adjacent community. In addition, eliminating the last enclave of very low income public housing at Horner will encourage further private redevelopment activity in the surrounding neighborhood.

4. The "Request for Qualifications for a Developer of Henry Horner Homes" (RFQ), which resulted in creation of the redevelopment plan that is the subject of this Motion and Order, invites the selected developer to propose ways to further promote economic integration within the Phase I development. The developer may propose to convert Phase I public housing units to affordable and/or market rate units, so long as

such public housing units are replaced one for one within Phase II, very low income public housing units are replaced with very low income public housing units, low income public housing units are replaced with low income public housing units, and public housing residents are not involuntarily relocated as part of this effort. The parties believe that additional economic integration within Phase I is desirable and that, notwithstanding any previous order in this cause or the modifications to the numbers and ratios set out in paragraph 2.D. of this Motion that would result, the Court should authorize such conversion, subject to the terms and conditions described above.

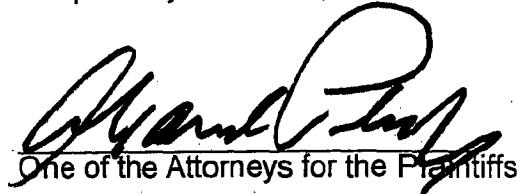

5. The Phase II plan, which includes several four-story walk-up buildings and two seven-story mid-rise buildings, proposes to house some public housing families with children above the third floor. On July 1, 1969, this Court entered an order which provided that, "No (CHA) Dwelling Units shall be provided above the third story in any structure except for families without children." The order also provided that the Court, "by order," could permit developments that were "specifically designed to assist in achieving the purposes" of the Gautreaux order. The parties and the Receiver believe that, so long as these public housing units are broadly dispersed throughout the expanded HRA and within buildings, housing CHA families in these buildings meets the goal of creating mixed-income, desegregated housing opportunities for the plaintiff class. Given scarce land, development at the densities made possible by four-story and mid-rise buildings will make it feasible to produce more public housing units while still ensuring an income mix. In buildings with family units above the third floor, public housing will comprise no more than 35.5% of the total number of residential units, reflecting the economic diversity of the overall Phase II plan. Units housing public housing families will be dispersed throughout walk-up and mid-rise buildings. The Plaintiffs and the Receiver therefore believe that a limited waiver of this provision of the July 1, 1969 order is desirable and that the Court should authorize development of family public housing above the third floor at Horner, subject to the plaintiff's written approval of the initial location and configuration of all such units.

6. Because the location of public housing units may shift over time, at plaintiffs' request, CHA will provide or cause to be provided to the plaintiffs annual written reports on the location of public housing units, including sufficient information to assess whether such units are broadly dispersed throughout the expanded HRA and within buildings.

7. Movants are authorized to represent to the Court that this motion and order are supported by the Receiver, HUD, the City of Chicago, and the Central West Community Organization. The plaintiffs in the Horner litigation and the Horner Local Advisory Council have what we consider to be a non-substantive objection to the order, which they wish to present to the Court.

WHEREFORE, plaintiffs and the defendant Chicago Housing Authority request the Court to enter an order in the form attached hereto.

Respectfully submitted,

One of the Attorneys for the Plaintiffs

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

DOROTHY GAUTREAUX, et al,
Plaintiffs,

vs.

CHICAGO HOUSING AUTHORITY, et al,)
Defendant.)

AFFIDAVIT OF DANIEL E. LEVIN

Daniel E. Levin, being first duly sworn on oath, deposes and states as follows:

- 1) Pursuant to a 1987 order of the Court of the Northern District of Illinois in Dorothy Gautreaux, et al v. Chicago Housing Authority, et al, I, Daniel E. Levin, and The Habitat Company, jointly, as Receiver have and exercise all power of the Chicago Housing Authority ("CHA") respecting the development of CHA non-elderly public housing.
- 2) The CHA's Henry Horner development is in the process of re-development and, as a non-elderly public housing development, is subject to the 1987 order.
- 3) On March 9, 1995, this Court designated that portion of the City of Chicago that lies between Lake Street on the north, the Eisenhower Expressway on the south, Damen Avenue on the east, and Western Avenue on the west, a revitalizing area ("Horner Revitalizing Area" or "HRA").
- 4) On August 14, 1995, this Court entered a further order authorizing the development of 466 replacement public housing units in the previously designated HRA. In an Order entered on April 15, 1996, this Court expanded the HRA to include an area bounded by Lake Street on the north, Madison Street on the south, Talman Avenue on the east and Kedzie Avenue on the west. The order also authorized the Receiver to locate up to 100 of the previously authorized 466 replacement housing units within the expanded HRA.
- 5) On October 22, 1998, this Court entered an order further enlarging the HRA to include an area bounded by Madison Street on the north, Van Buren Street on the south, Washtenaw Avenue on the east, and Kedzie Avenue on the west. The Order also authorized development of approximately 60 of the previously authorized 466 replacement units of public housing in this area.
- 6) Pursuant to these orders, the Receiver has developed 461 units (the "Phase I" development). Although 466 units were authorized, five units could not be developed because of environmental limitations on available land within the HRA.

- 7) Phase I redevelopment included 200 units built between Lake Street on the north, Maypole Avenue on the south, Damen Avenue on the east, and Leavitt Street on the west, completed in 1999 and 261 units of off-site replacement housing in the HRA completed in 2000.
- 8) Additional Horner redevelopment is now proposed within the HRA and in the area bounded by Lake Street on the north, Washington Boulevard on the south, Hermitage Avenue on the east and Damen Avenue on the west (the "Proposed Expansion to the HRA"). Such redevelopment would require this Court to expand the Horner Revitalizing Area and authorize development of new non-elderly public housing units within the Proposed Expansion to the HRA.
- 9) **Revitalization Factors.** The area in and around the Horner Revitalizing Area has shown remarkable revitalization activity since the entry of this Court's 1995 Orders. Outlined below are highlights of revitalizing activity and other factors that will attract higher income renters and owners and strengthen the prospects for mixed-income success.
 - a) **Census Data.** The Horner Revitalizing Area is located in the western portion of the Near West Side community area. Census data show increasing racial integration in the Near West Side over the last ten years. Between 1990 and 2000, census tract 2802 (two census tracts east of the Proposed Expansion to the HRA) changed from a limited area to a general area. Of the 1,347 residents in this tract, 28% are identified as African American. Census tract 2803, due east of the Proposed Expansion to the HRA, is less than 50% African American.
 - b) **New Housing Construction and Sales.** Residential development has been booming in the Near West Side of Chicago since the mid-1990's. The most substantial real estate development on the Near West Side has taken place east of Ashland Avenue. However, recent sales of residential property show that the revitalization has touched the western borders of the Near West Side and is moving further west into East Garfield Park. In addition, the area south of the Eisenhower Expressway has seen significant development. Ashland Avenue and the expressway are no longer the borders to new development. According to the Realtor's Multi-Listing Service there were 22 condominium sales between November 2001 and July 2002 in the area bounded by Ashland Avenue on the east, Kedzie Avenue on the west, Lake Street on the north and Van Buren Street on the south. Sales prices have varied from a low of \$150,000 (for a two-bedroom, one-bath unit at 18 South Leavitt Street) to a high of \$255,000 (for a three-bedroom, two-bathroom unit at 2140 W. Jackson Boulevard). A third floor two-bedroom/two-bathroom condominium at 121 South Bell Street sold for \$234,000. (Photos of representative developments follow in Exhibit A.) In addition, several new developments are now being planned in or near the HRA:
 - i) Near West Development Corporation is in the process of pre-selling 22 units of housing: six two-flats and 10 single family homes, some of which will be subsidized through the City of Chicago's New Homes for Chicago Program.
 - ii) East Garfield Place Condominiums at 3305-15 W. Warren Boulevard, a six building condominium development just west of the HRA, includes three-bedroom/two-bathroom units that are being marketed starting at \$179,000.
 - iii) Adam's Place at 2301 W. Adams is planned to be a 41 unit townhouse development at the western edge of the Near West Side which the developers are calling "the

West United Center neighborhood." Foundation work has begun on this ambitious development.

- c) **New Commercial Development.** Around the HRA, new commercial development has been completed and additional commercial development is planned. In 2001, a new Walgreens was completed at the northeast corner of Western Avenue and Madison Street. (A photo of the new store is included in Exhibit A.) The City of Chicago has named a developer to develop a grocery store and small retail stores along the southeast corner of Western Avenue and Madison Street. This area has been identified as a commercial "node" by the City's Department of Planning and Development.
- d) **Location.** The HRA is located just two miles west of downtown Chicago. Major east/west thoroughfares provide easy access to and from downtown. In addition, the HRA is located close to several major expressways and is served by the Chicago Transit Authority's elevated train and bus lines.
- e) **Proximity to Employment Centers.** To the north of the HRA, the Kinzie Industrial Corridor is a significant job center. To the south is the Illinois Medical District, comprised of two major teaching hospitals. Area employees are a pool of potential renters and homeowners who will find the development's location convenient to work.
- f) **Schools.** Three public schools within the Horner Revitalizing Area have received significant capital improvements in the last six years. Suder Elementary School has received a number of capital improvements in the past few years. In 1998, the school's windows were replaced and masonry was repaired. Suder also received a new play lot, which is used by families in the community. A campus park was installed around Brown Elementary School in 1996. Brown was also extensively rehabilitated with a new roof, windows and masonry repairs. Dett Elementary School received a campus park and major repairs in the late 1990s. In addition, nearby Malcolm X College provides opportunities for further education for those who may need a graduate equivalency degree or career-oriented training in areas varying from nursing to telecommunications. Malcolm X has a 430-seat performing arts center, a library, dance studios, a gymnasium and a swimming pool.
- g) **Parks.** Just east of the Proposed Expansion to the HRA, Union Park offers a variety of recreational opportunities. The park has a swimming pool, tennis courts, ball fields and a field house with various activities including after school and summer programs for children. A two-acre park planned for the site will complement this 13-acre facility. The western portion of the HRA includes Touhy-Herbert Park, an eight-acre facility jointly operated by the Park District and the Board of Education, which has received significant investment recently.
- h) **Other Facilities.** The James Jordan Boys and Girls Club—opened in 1996—is within the HRA. This facility contains a gymnasium, games rooms and ample classroom space and offers youth programs and service to the entire community. Mabel Manning Library—built in 1993 and named for a local community leader—is also in close walking distance. This attractive, neighborhood library is a freestanding building with

community space for meetings and other functions. (Photos of the James Jordan Boys and Girls Club and Manning Library are included in Exhibit A.)

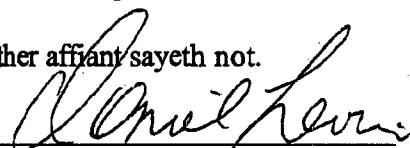

10) **Further Planned Development.** Rockwell Gardens, a CHA owned development west of Western Avenue and south of Madison Street, is the subject of a 2001 \$35,000,000 HOPE VI grant from the United States Department of Housing and Urban Development ("HUD"). A developer has been selected and plans have been developed to demolish the existing family public housing high-rises and replace them with 780 units of new, mixed-income housing, roughly one-third of which will be reserved for public housing residents. A significant number of the new mixed-income units will be constructed off-site, to the west of the current Rockwell development, further revitalizing the community.

The Proposed Expansion to the Revitalizing Area to Include the Horner Phase II Site.

- 11) In order to complete the redevelopment of Henry Horner, all 11 remaining high- and mid-rise buildings will be demolished. Five of the buildings have already been demolished; the remaining six will be demolished as development proceeds. The area to be redeveloped covers approximately 26 acres.
- 12) The momentum of development in the broader community should be continued within the Proposed Expansion to the HRA. In February 2001, the Horner Working Group, consisting of the Receiver, the CHA, the Gautreaux Plaintiffs, the City of Chicago, the Horner Plaintiffs, and the Horner Residents Committee, selected a lead developer, BMH-I, LLC, to carry out Phase II of the Horner redevelopment. BMH-I, LLC consists of The Michaels Development Company, Inc. and Brinshore Development, LLC. Michaels is a national firm that has extensive experience with HOPE VI developments across the nation. Brinshore is a local firm focused on developing affordable and mixed-income housing in Chicago and across the State of Illinois.
- 13) The Horner Working Group, in collaboration with BMH-I, LLC, developed a Phase II redevelopment plan. In December 2001, the CHA and The Habitat Company, as Receiver, submitted the plan to HUD. In April 2002, HUD approved the plan. The plan includes construction of 764 new units of housing with 271 units (35.5%) reserved for public housing residents, 361 of the units (47.3%) designated "market rate," and 132 (17.3%) designated "affordable" for households earning no more than 60% of area median income. The plan will return the historic street grid to the area and increase the amount of park space thus creating a neighborhood better connected to the surrounding community. The plan for redevelopment has been endorsed by various stakeholders including all members of the Horner Working Group.
- 14) The redevelopment has received considerable financial support, including a HUD HOPE VI grant. The City of Chicago has committed funds for extensive infrastructure improvements, including new or repaired sewers, water lines, streets, alleys, street lighting and access for utilities. These infrastructure improvements are already underway. The City Council has passed an ordinance approving up to \$8.5 Million in HOME funds. Tax Increment Financing ("TIF") funds may be available for some of the redevelopment. BMH-I, LLC will soon apply to be designated as eligible to use TIF funding to subsidize the affordable for-sale component of the transaction.

- 15) Horner redevelopment has further encouraged private development to the east and west. Additional redevelopment within the Proposed Expansion to the HRA will allow public housing residents to benefit further from the surrounding redevelopment, and it will likely catalyze additional mixed-income development in the surrounding community.
- 16) The Receiver supports expanding the Horner Revitalizing Area to include the area bounded by Lake Street on the north, Washington Boulevard on the south, Hermitage Avenue on the east and Damen Avenue on the west. The Receiver also supports authorizing the development of approximately 271 new, non-elderly public housing units within the Proposed Expansion to the HRA. With the support of HUD, the City of Chicago and the many community stakeholders, the Receiver is confident that the Horner Revitalizing Area will become a viable, economically integrated part of the West Haven neighborhood and the Near West Side of Chicago. The completion of the redevelopment of Henry Horner will complement the development already in process all around the HRA. Therefore, the proposed expansion to the Horner Revitalizing Area and construction of new non-elderly public housing units therein has the Receiver's full support.

Further affiant sayeth not.

Defendant.)

**ADDITIONAL AFFIDAVIT OF ALEXANDER L. POLIKOFF
SUPPORTING PLAINTIFFS' MOTION FOR ATTORNEYS' FEES**

I, Alexander Polikoff, being duly sworn, say:

1) I am one of the attorneys of record for plaintiffs in Gautreaux v. Chicago Housing Authority, Civil Action No. 66 C 1459. Since the inception of the litigation I have been in responsible charge of this case for the plaintiffs.

2) In my capacity as lead plaintiffs' attorney in the Gautreaux litigation, I am responsible for final decisions regarding requests made to defendants for payment of attorneys' fees and litigation expenses.

3) In preparing their fee request for the period August 1, 2001 through July 31, 2003, plaintiffs' counsel excluded the following:

- a) all hours in certain categories of work;
- b) all hours of certain attorneys (regardless of category of work);
- c) all hours of law student interns (regardless of category of work);
- d) all hours on any task lasting less than 15 minutes; and

e) half of what would otherwise have been the fee request attributable to hours spent in "Gautreaux team meetings" (conferences involving all or most plaintiffs' attorneys working on this case).

4) In addition to the foregoing, after preparation of attorneys' affidavits and discussions with CHA, plaintiffs reduced their fee request still further by:

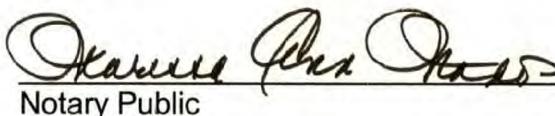

- a) eliminating hours spent by more than two attorneys consulting together, or participating in meetings or phone calls with third parties;
- b) eliminating hours spent by all attorneys on certain additional categories of work;
- c) eliminating some hours spent by attorneys deemed "getting up to speed"; and,
- d) deferring fee requests for hours spent on two other categories of work, namely, the authorization of project-based Section 8 units, and mobility counseling in CHA's Section 8 program, as well as our hours spent on the fee motion.

Further affiant sayeth not.

Defendant.)

EXHIBIT C

**CHICAGO HOUSING AUTHORITY MOVING TO WORK PLAN FY 2001
APPENDIX V; AND
ABLA HOPE VI REVITALIZING PLAN
SECTION 17: RESIDENT AND COMMUNITY INVOLVEMENT**

APPENDIX V: Model Working Group Composition for Redevelopment

MEMBERS OF THE WORKING GROUP

The following entities shall be the core members of the Working Group at each Category 5 redevelopment site:

- Chicago Housing Authority
- The Receiver, The Habitat Company
- Gautreaux Plaintiff's Counsel
- Local Advisory Council
- City of Chicago Dept. of Housing
- City of Chicago Dept. of Planning & Development

Each organization shall be represented by one individual, with the exception of the Local Advisory Council, which shall have two representatives.

In addition there will be a maximum of two community representatives. Elected officials will be extended ex-officio status on the committee. They will not, however, have any voting rights.

The Working Group shall exist for the period up to the lease up of the final public housing unit for their respective redevelopment site.

WORKING GROUP ROLES AND RESPONSIBILITIES

The Working Group shall provide coordination and overall direction for the redevelopment plan at each site, subject to the Working Group Guidelines described below. This will include:

- Preparation and issuance of the RFQ/RFP
- Selection of the developer(s)
- Preparation of the redevelopment proposal to be submitted for funding consideration
- Monitoring of progress in accordance with the redevelopment plan

WORKING GROUP OPERATING GUIDELINES

- All decisions of the Working Group should be made by consensus, including decisions to enlarge the Working Group (but in no event more than two additional community representatives) beyond the core members described above.
- If the Working Group takes a vote, all members of the Working Group shall have one vote, except for the Local Advisory Council, which shall have two votes.
- If the Working Group is unable to reach consensus, then the CHA and The Receiver (where applicable) shall make decisions in accordance with their respective roles and responsibilities. These decisions will be made in accordance with public housing program rules and regulations, orders of the Gautreaux Court and other applicable court orders and all pertinent federal, state and local laws.

CONFLICTS OF INTEREST

No individual or organization of the Working Group that has a real or apparent conflict of interest, as determined by the U.S. Department of Housing and Urban Development, with any person or organization being considered or selected, may participate in the Working Group or committees established by the Working Group, unless they recuse themselves from the matters and decisions with which they have a conflict. These conflicts shall include but not be limited to financial or business interest, current or potential employment of self or relatives, acceptance of gifts or gratuities from respondents, their agents or affiliates.

If an individual or organization chooses to partner with a development team, or be employed as their consultant or a subcontractor, they will be excluded from participation in the Working Group.

ABLA HOPE VI Revitalization Plan
Section 17: Resident and Community Involvement

17. RESIDENT AND COMMUNITY INVOLVEMENT

The development of the ABLA HOPE VI Revitalization Plan has been a true and successful collaborative effort of public housing residents, government agencies, the Gautreaux plaintiffs' counsel and the District Court's representation, as well as wide involvement by members of the surrounding community and institutions. The involvement by all members in this process, with a recognition that the needs of the public housing residents are of the utmost priority, has contributed to an exceptionally broad based community plan for bringing significant, long lasting improvements to the neighborhood and to the people who live there. All members have maintained a deep commitment to transforming the ABLA community in significant and meaningful ways. The breadth of participation is described below.

17.1. ABLA WORKING GROUP

The ABLA Working Group was first convened more than two years ago to assist with the coordination necessary to create a meaningful revitalization plan for the ABLA community, and to create an effective channel for communication regarding the redevelopment of the ABLA Homes. The Working Group represents residents, the City of Chicago and the broader community, and has been the instrument through which this redevelopment plan has been developed, and will also be critical for its implementation.

The members of the Working Group are: the ABLA Local Advisory Council (LAC), the Chicago Housing Authority, the City of Chicago's Department of Housing and Department of Planning, the Plaintiff's counsel (Business and Professional People for the Public Interest) and the court appointed receiver in the landmark desegregation case of Gautreaux vs. CHA et al. All plans and proposals are discussed and agreed to by the members of the Working Group, and no step moves forward without the participants' support. While each member technically has one vote (and the LAC has two votes), the Working Group acts by consensus and this Revitalization Plan reflects the goals of all the members.

During the planning process for this Revitalization Plan, the Working Group was actively involved in its creation. Meeting at least twice a month as a group, and also holding numerous individual meetings with Working Group members, this advisory council has provided significant input at every stage of the development planning process. A list of the formal meetings held is set forth in Appendix 18.11. The Working Group will continue to play this advisory role throughout the implementation of the redevelopment, by helping with decisions relating to demolition, consolidation and phasing, and also determining how the development will proceed at each step of the process. The Working Group has been an invaluable part of this development, and is one of the key reasons that this Revitalization Plan can be successfully implemented.
